

4TH UON-KNH INTERNATIONAL SCIENTIFIC CONFERENCE.

14TH – 16TH JUNE, 2017

THEME: TRANSFORMING HEALTH CARE THROUGH RESEARCH AND INNOVATION

Date: 14th – 16th June, 2017

Venue: College of Health Sciences - University of Nairobi

Objective: The conference will bring together leading scientists, health care professionals, participants and students from both public and private sectors to share knowledge and experiences that influence and shape health care delivery to achieve sustainable quality health care.

TARGET: The conference targets scientists, health care professionals and students from all over the world who will participate in activities such as oral and poster presentations of their original research work, plenary talks, workshops and symposia. All are welcome, particularly those from Africa and other developing countries, to come and actively participate in this forum, get updated and enjoy the favorable climate and social activities.
