

**PROF A.N. GUANTAI AND DR M.N. OLUKA ATTEND A WORKSHOP ON
ANTIMICROBIAL STEWARDSHIP**

Prof A.N. Guantai and Dr M.N. Oluka from the Dept. of Pharmacology and Pharmacognosy, along with Dr. S.A. Opanga from the Dept. of Pharmaceutics and Pharmacy Practice and Dr. Loice Achieng of the Dept. of Internal medicine, attended a workshop from 15th to 19th May 2016 at the University of Strathclyde Glasgow UK.

This workshop was to plan for grant activities on antimicrobial stewardship and non-communicable diseases for the recipients of the Newton Grant.
