

M.PHARM EPIVIGIL WRITER'S WORKSHOP

Members of the Dept. of Pharmacology and Pharmacognosy, along with other content writers from the School of Pharmacy and Pharmacy and Poisons Board and Kenyatta National Hospital, attended a writer's workshop for the Master of Pharmacy (Pharmacoepidemiology and Pharmacovigilance) program at the KCB Leadership Training Centre, from **19-23 June 2017**.

Members of the Dept. present included Dr. F.A. Okalebo, Dr. K.O. Bosire, Dr. E.W. Karumi, and Dr. M.N. Mulaku.

The workshop was sponsored by an EDCTP 2 Grant awarded to the East Africa Pharmacovigilance Initiative project. The initiative involves partnership between University of Nairobi and the Pharmacy and Poisons Board.
