

PRESENTATIONS AT THE EURODURG 2017 CONFERENCE

The delegation of Dr Margaret Oluka, Prof Anastasia Guantai and Dr Dorothy Aywak attended the Eurodurg 2017 conference at the University of Strathclyde, Glasgow, Scotland held from 15th -18th Nov 2017

The Kenyan delegation presented several Posters and an Oral presentation of various studies conducted in the department of Pharmacology and Pharmacognosy.

The posters presented included:

1. A systematic review of self-purchasing of antibiotics in Low and middle income countries (LMIC)
2. Audit of the use of aminoglycosides in pediatric patients at a tertiary hospital in Kenya
3. Prevalence and characteristics of drug use in pregnancy in a rural hospital in Kenya

Dr Margaret Oluka was also privileged to make an oral presentation from the study entitled “Incidence and risk factors for medication errors in pediatric patients in a County referral hospital in Kenya”.
